<b>Formula Roller Blue on Black</b> 	Blue Tyre on Black Hub. 26mm ID x 128mm OD x 73mm Wide This high strength, non-marking wobble roller ensures smooth boat launching and retrieval.	Suitable for most boat trailers.	61.23140
<b>Formula Roller Blue on White</b> 	Blue Tyre on White Hub. 26mm ID x 128mm OD x 73mm Wide This high strength, non-marking wobble roller ensures smooth boat launching and retrieval.	Suitable for most boat trailers.	61.23150
<b>Formula Stubby Assembly Black on Black</b> 	Assembly Includes; Galvanised Support Post - 25mm x 25.5mm x 250mm long Formula Roller, Washer and Split pin.	Suitable for most boat trailers.	62.4120BKBK
<b>Formula Stubby Assembly Grey on Black</b> 	Assembly Includes; Galvanised Support Post - 25mm x 25.5mm x 250mm long Formula Roller, Washer and Split pin.	Suitable for most boat trailers.	62.4120GYBK

<b>Formula Stubby Assembly Blue on Black</b>		Assembly Includes; Galvanised Support Post - 25mm x 25.5mm x 250mm long Formula Roller, Washer and Split pin.	Suitable for most boat trailers.	62.4120BLBK
<b>Formula Stubby Assembly Blue on White</b>		Assembly Includes; Galvanised Support Post - 25mm x 25.5mm x 250mm long Formula Roller, Washer and Split pin.	Suitable for most boat trailers.	62.4120BLW
<b>Formula Dual Assembly Black on Black</b>		Assembly Includes; Galvanised Upright – 40.5mm x 40.5mm x 300mm long Galvanised Rocker Arm 2 x Formula Rollers, Washers and Split Pins.	Suitable for most boat trailers.	62.5120BKBK
<b>Formula Dual Assembly Grey on Black</b>		Assembly Includes; Galvanised Upright – 40.5mm x 40.5mm x 300mm long Galvanised Rocker Arm 2 x Formula Rollers, Washers and Split Pins.	Suitable for most boat trailers.	62.5120GYBK
<b>Formula Dual Assembly Blue on Black</b>		Assembly Includes; Galvanised Upright – 40.5mm x 40.5mm x 300mm long Galvanised Rocker Arm 2 x Formula Rollers, Washers and Split Pins.	Suitable for most boat trailers.	62.5120BLBK
<b>Formula Dual Assembly Blue on White</b>		Assembly Includes; Galvanised Upright – 40.5mm x 40.5mm x 300mm long Galvanised Rocker Arm 2 x Formula Rollers, Washers and Split Pins.	Suitable for most boat trailers.	62.5120BLW
<b>Formula Quad Assembly Black on Black</b>		Assembly Includes; Galvanised Upright – 40.5mm x 40.5mm x 300mm long Galvanised Quad Arm, 2 x Galvanised Rocker Arms 4 x Formula Rollers, Washers and Split Pins.	Suitable for most boat trailers.	62.6120BKBK

**Formula  
Quad Assembly  
Grey on Black**

Assembly Includes;  
Galvanised Upright – 40.5mm x 40.5mm x 300mm long  
Galvanised Quad Arm, 2 x Galvanised Rocker Arms  
4 x Formula Rollers, Washers and Split Pins.

Suitable for most boat trailers.

62.6120GYBK

**Formula  
Quad Assembly  
Blue on Black**

Assembly Includes;  
Galvanised Upright – 40.5mm x 40.5mm x 300mm long  
Galvanised Quad Arm, 2 x Galvanised Rocker Arms  
4 x Formula Rollers, Washers and Split Pins.

Suitable for most boat trailers.

62.6120BLBK

**Formula  
Quad Assembly  
Blue on White**

Assembly Includes;  
Galvanised Upright – 40.5mm x 40.5mm x 300mm long  
Galvanised Quad Arm, 2 x Galvanised Rocker Arms  
4 x Formula Rollers, Washers and Split Pins.

Suitable for most boat trailers.

62.6120BLW

**Thruster 21mm  
Formula Roller  
Black on Black**

Includes;  
Formula Roller, Nylon Thruster Cap and Nut 21mm ID  
Stainless Steel Bolt with Nyloc Nut.

Suitable for most boat trailers.

61.24001

**Thruster 21mm  
Formula Roller  
Grey on Black**

Includes;  
Formula Roller, Nylon Thruster Cap and Nut 21mm ID  
Stainless Steel Bolt with Nyloc Nut.

Suitable for most boat trailers.

61.24005

**Thruster 26mm  
Formula Roller  
Black on Black**

Includes;  
Formula Roller, Nylon Thruster Cap and Nut 26mm ID  
Stainless Steel Bolt with Nyloc Nut.

Suitable for most boat trailers.

61.24305

**Thruster 26mm  
Formula Roller  
Grey on Black**

Includes;  
Formula Roller, Nylon Thruster Cap and Nut 26mm ID  
Stainless Steel Bolt with Nyloc Nut.

Suitable for most boat trailers.

61.24301

**Thruster Formula  
Stubby Assembly  
Black on Black**

Assembly Includes;  
Galvanised Support Post - 25mm x 25.5mm x 250mm long  
Formula Roller, Nylon Thruster Cap and Nut  
Stainless Steel Bolt with Nyloc Nut.

Suitable for most boat trailers.

62.3300BKBK

**Thruster Formula  
Stubby Assembly  
Grey on Black**

Assembly Includes;  
Galvanised Support Post - 25mm x 25.5mm x 250mm long  
Formula Roller, Nylon Thruster Cap and Nut  
Stainless Steel Bolt with Nyloc Nut.

Suitable for most boat trailers.

62.3300GYBK

**Thruster Formula  
Dual Assembly  
Black on Black**

Assembly Includes;  
Galvanised Upright – 40.5mm x 40.5mm x 300mm long  
Galvanised Rocker Arm  
2 x Formula Rollers, Nylon Thruster Caps and Nuts  
Stainless Steel Bolts with Nyloc Nuts.

Suitable for most boat trailers.

62.4300BKBK

**Thruster Formula  
Dual Assembly  
Grey on Black**

Assembly Includes;  
Galvanised Upright – 40.5mm x 40.5mm x 300mm long  
Galvanised Rocker Arm  
2 x Formula Rollers, Nylon Thruster Caps and Nuts  
Stainless Steel Bolts with Nyloc Nuts.

Suitable for most boat trailers.

62.4300GYBK

**Thruster Formula  
Quad Assembly  
Black on Black**

Assembly Includes;  
Galvanised Upright – 40.5mm x 40.5mm x 300mm long  
Galvanised Quad Arm, 2 x Galvanised Rocker Arms  
4 x Formula Rollers, Nylon Thruster Caps and Nuts  
Stainless Steel Bolts with Nyloc Nuts.

Suitable for most boat trailers.

62.5300BKBK

**Thruster Formula  
Quad Assembly  
Grey on Black**

Assembly Includes;  
Galvanised Upright – 40.5mm x 40.5mm x 300mm long  
Galvanised Quad Arm, 2 x Galvanised Rocker Arms  
4 x Formula Rollers, Nylon Thruster Caps and Nuts  
Stainless Steel Bolts with Nyloc Nuts.

Suitable for most boat trailers.
